

## A few words from our guests...

'Everyone was so friendly - we felt welcome as soon as we arrived.'

'No clubhouse, so the peace was amazing - just what we had dreamt of!'

'Must be the cleanest, best maintained site in Cornwall. Many thanks.'

'Beautifully kept site with fabulous facilities. Staff very friendly and helpful - thank you all!'

'Our 2nd year - even better this time so we have just booked for our 3rd.'

'Only one way to express my views about our holiday - brilliant!'

### How to find us...

The A30 is the easy route into Cornwall. When you reach St Austell take the B3273 towards Mevagissey. As you enter the village of London Apprentice look out for River Valley Holiday Park on the left hand side.

A warm welcome awaits you at River Valley

Lying in a beautiful corner of Cornwall, in a tranquil setting with fresh air and lovely walks, River Valley is a friendly, small and quiet caravan and camping park. Superb facilities and top quality caravans are part of the attraction, but what really makes River Valley special is that it's family run.

We really do care about your holiday. Every guest is one of the family, and nothing is too much trouble for us. We enjoy what we do and are always available to help with queries, a friendly chat or planning your day.

Come as a guest, leave as a friend!

## What will you find?

Some guests say that our caravans are better than their own homes! We're certainly very proud of what they offer, with everything you need from attractive furnishings to a fully equipped kitchen. Only 40 holiday homes sit in landscaped lawns surrounded by trees, shrubs and flowers. Each has a picnic bench and BBQ area with parking nearby too.

Our meticulous flat maintained touring meadow with 45 hardstanding pitches all individually marked, cater for camper vans, touring caravans and trailer tents.

The children will love our outdoor play area with the cable slide, and everyone has fun in the indoor heated pool.

## Your days at River Valley go slowly...

## Take it easy...

The games room and children's play area are really popular, and when chores need to be done you'll find the dish-washing and laundry room very handy and well equipped. We're really proud of our toilet block too, with lots of space, family bathroom, and disabled facilities.

We do not operate office hours so you can contact us at any time, with any query.

## Out and about...

Bring your bike or hire one from us. Cycle from the Park along the Pentewan Valley trail to the beach, or beyond to Heligan Gardens and Mevagissey.

A very special walk takes you along leafy tracks from River Valley into the 140 acre Kingswood. Or you can stroll along the river bank and pick up the South Coast Footpath at Pentewan Beach. The famous Eden Project is almost on our doorstep, and other charming places are Charlestown, Gorran Haven, Porthpean and Fowey.

River Valley is beautifully situated for exploring other areas of Cornwall too, bringing within reach almost anywhere in this lovely county.

Drive across to the north coast – it's a stunning contrast to the gentle south coast, with rugged cliffs and crashing seas.

We've made everything as easy as possible for you. Start your day gently, with a swim in our indoor heated pool. Stroll into the pets paddock and say hello to the pigs and look out for everyone's favourite, the hen who without fail produces a clutch of gorgeous chicks every year.
