

River Valley  
HOLIDAY PARK

River Valley Holiday Park is a five-star, independent holiday park close to the beach in Cornwall.

We are a haven for campers, caravaners and families all looking to explore our beautiful surroundings.

## a warm welcome

River Valley is a quiet, family park and we extend a warm welcome to all our visitors.

We're on the edge of the 400-year-old Kings Wood in the panoramic Pentewan Valley, just two miles from the beach.

Our holiday park has been run by the same Cornish family for more than 20 years. As well as providing the extra touches that add to your holiday, we understand how important it is to get the basics right.

We know the area inside out and have some great local places to share with you when you arrive.

Many of our own favourite destinations are within walking distance.

River Valley has 40 modern caravans, 45 spacious all weather pitches for tents, touring caravans and motorhomes. We maintain our park to the highest standards and you will welcome our on-site facilities:
